Image should be blank by default

Hi,
Amit Kashyap
Last seen: Wed, 10 Jul 25

Correct this alignment

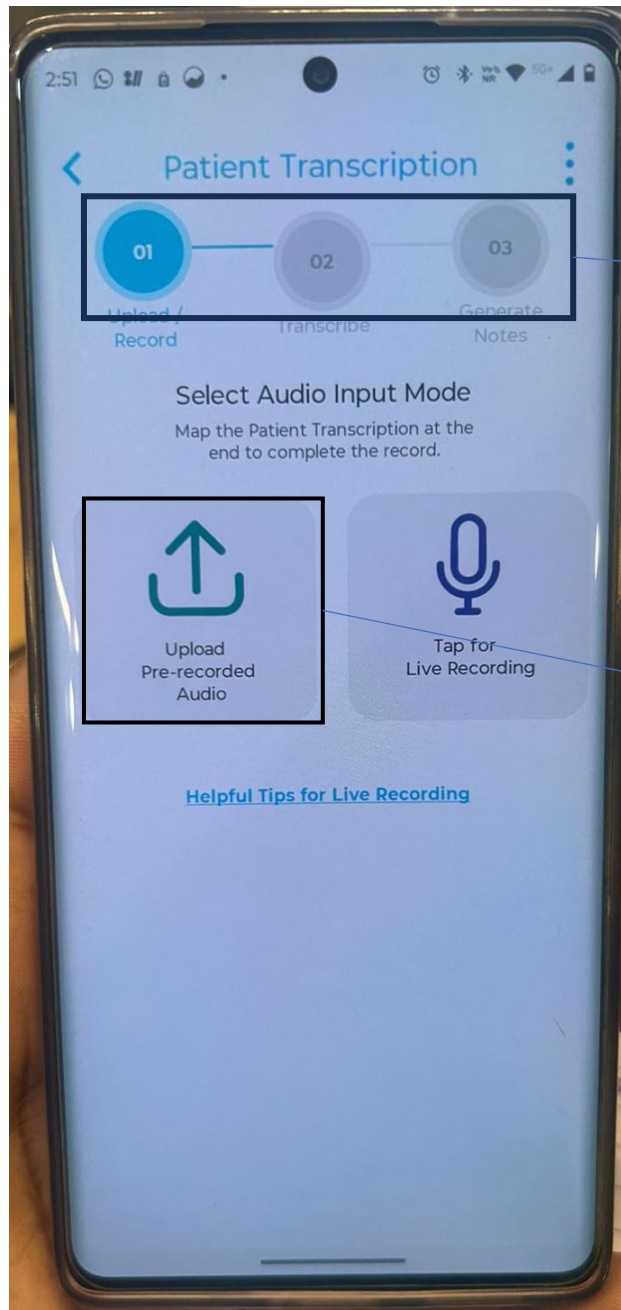

- Make it in ascending order
- Correct the vertical alignment.Ex.
Given below

1 Jul 2 Jul 3 Jul

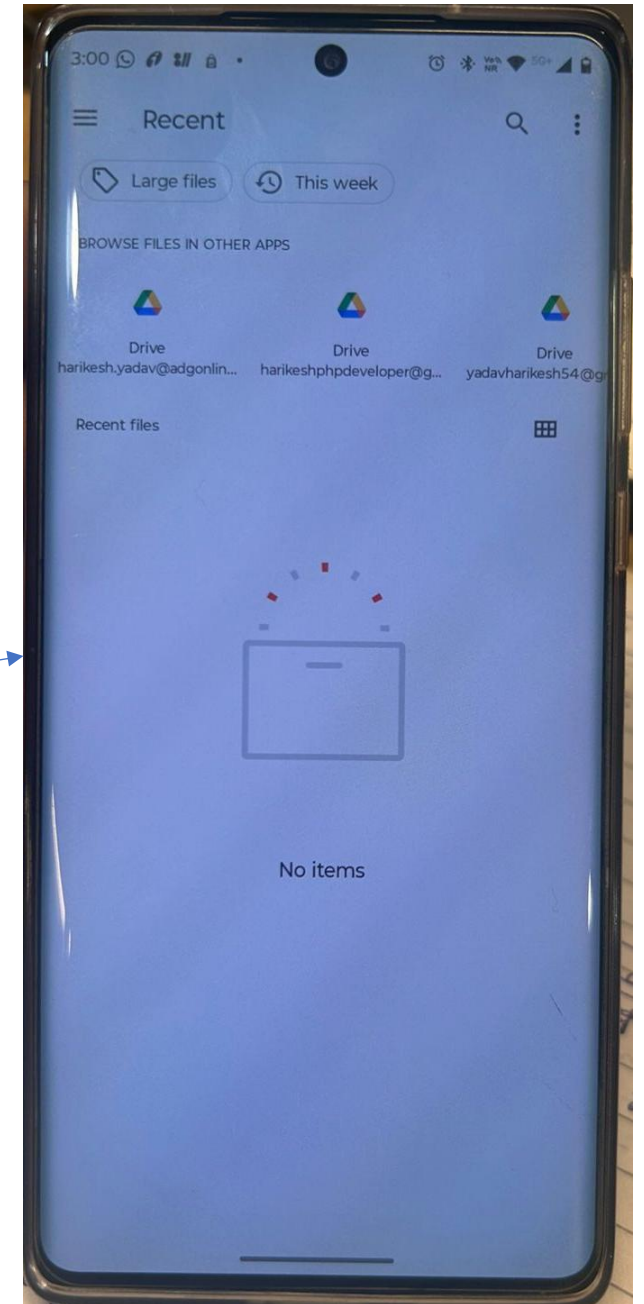

Not Working. Unable to upload Profile Picture

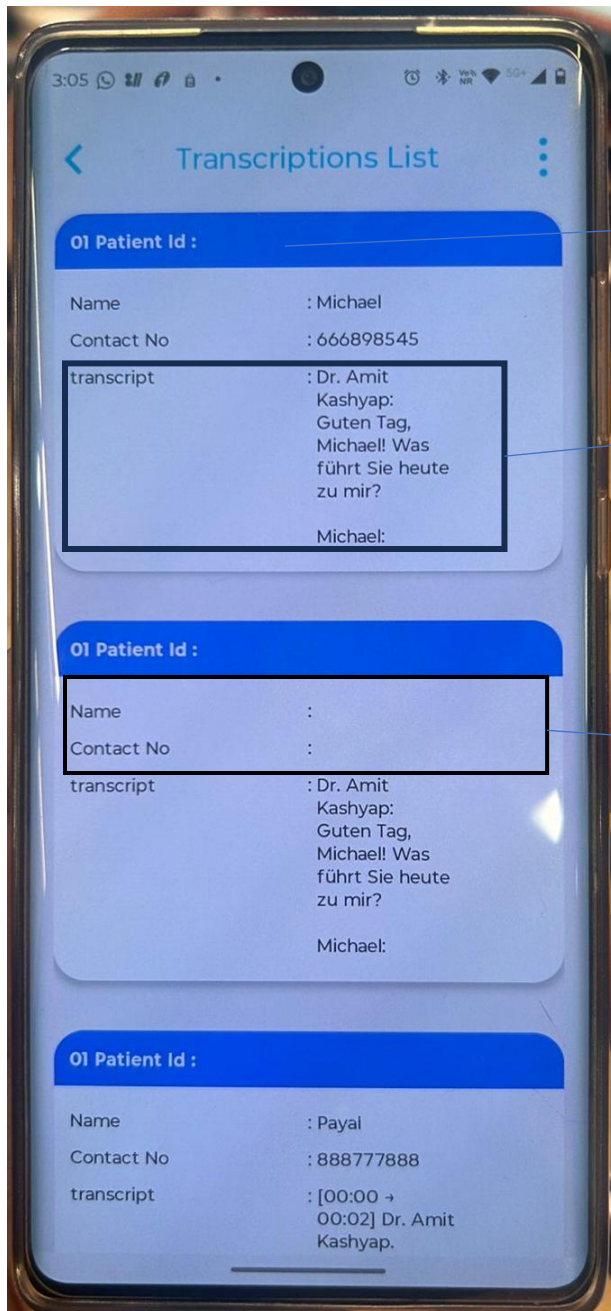

Unable to save the changes

The Circles are not aligned

On Clicking, Redirecting on Google Drive

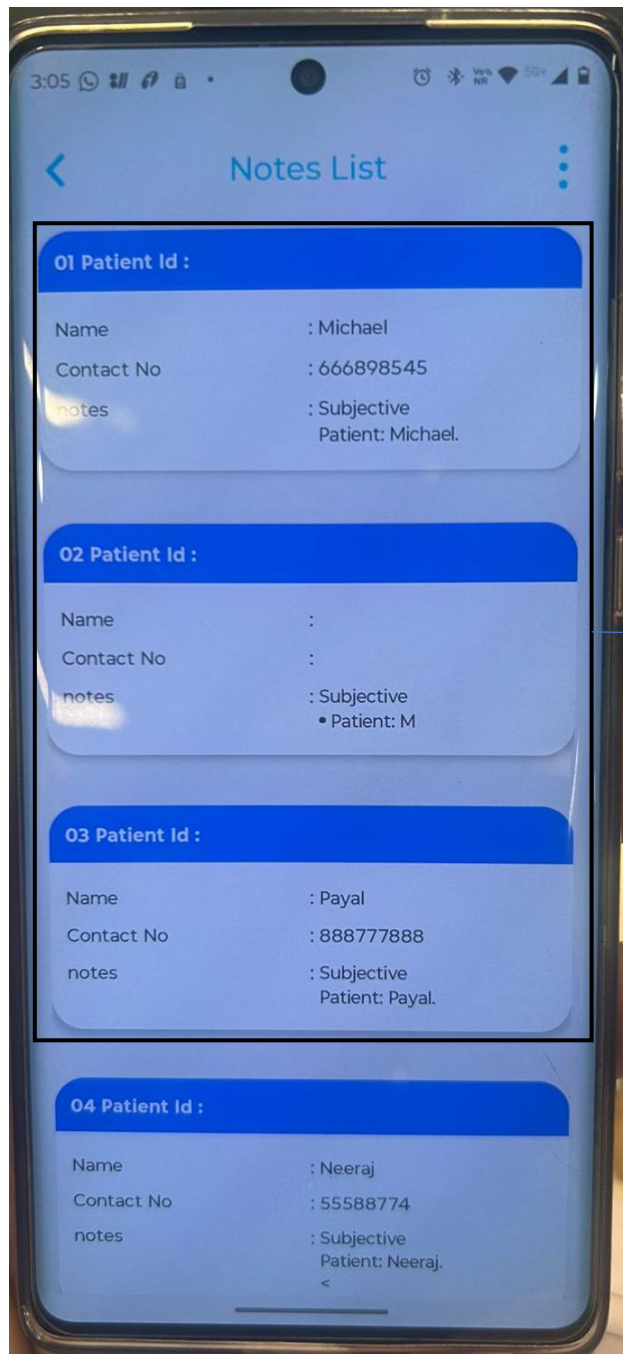

→ Patient ID Missing

→ Displaying Transcript Not required

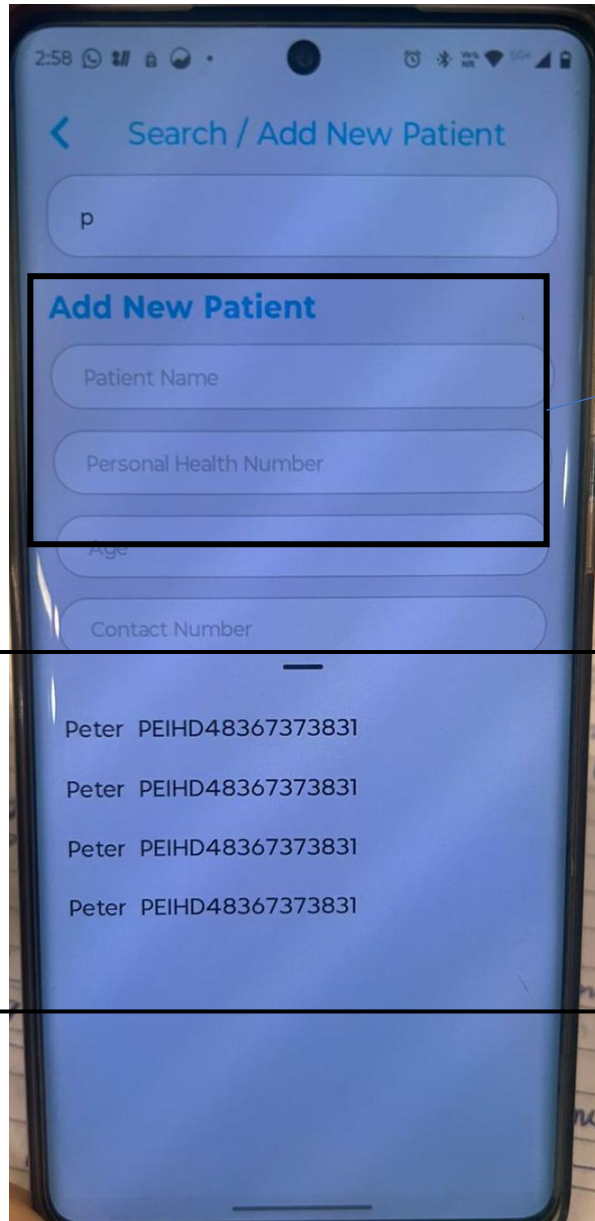

→ Name & Contact Number Missing

Data Missing

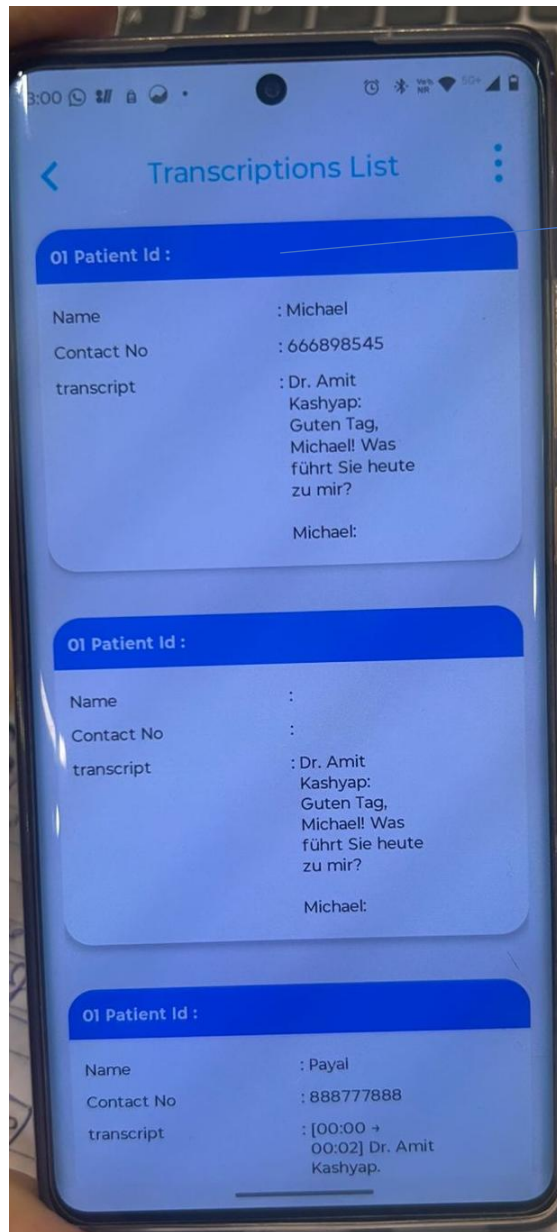

Unable to upload recording
audio. This feature is not

Unable to add new Patient. It is showing Validation Issue.

Wrong Data Coming

Patient ID Missing
